

Welcome to STEMteachersNYC Summer STEM Institute 2023!

Foundations in Student-Centered Physics for High School Teachers!

Led by Paul Feffer | July 5 - 14, 2023
Storm King School, New York

Our Summer STEM Institute 2023 is looking to be an amazing experience, with workshops across six amazing locations! In advance of your workshop at The Storm King School, on the lovely west bank of the Hudson River we want to extend a big welcome and send you some information!

Location: Storm King School, 314 Mountain Road, Cornwall on Hudson, NY 12520.

Parking: There is plenty of free parking.

Arrival

- Please email us with your ETA on the morning or afternoon of your arrival, and Paul, Ghare, or Phil, will meet you and help get to the room where the workshop will be held.
- Arrival options July 4th or 5th. Please make sure to confirm with Noshin your arrival date and approximate time.

If you have questions about lodging please email noshin@stemteachersnyc.org
